WELCOME

Welcome to Goodwill Industries of Fort Worth, Inc.'s Donation Tracker.

We're making it easier than ever for you to trace your Goodwill donation receipts for tax purposes. With this new system, you will no longer have to hold on to your paper receipt. Once you register you can print a receipt when needed, or send a copy to your email.

You will be able to add new donations as you make them throughout the year. The system also makes it easy for you to print a yearly summary of all your donations – perfect for tax time, when you need to claim a deduction for your charitable contributions. Thank you for your donations. Together, we are Changing Lives through the Power of Work!
